“ I will always remember Barb as one of the sweetest lady's I've ever met. One of my favorite memories is when I helped her move some things out of Gary's house and she insisted on paying me and wouldn't take no for an answer. She yelled at me "Take it you've earned it!!" It was just like her to be kind enough to throw some money at a kid to make his day. From that day forward Everytime I saw her she always had a smile on her face and I know she meant the world to her family. My mom adored her and considered her to be another mother figure. Rest in Heaven Barb, now you get to be with your husband and son. Sending thoughts to all who loved her.

“ My heart goes out to all the Soncrant's for the loss of this wonderful woman. She took loving care of my children when I lived in Ohio and always treated me the same after Gary and I parted ways. Her care of Bob during his last years and showed us what love really meant. RIP Barb, I love you!
