“ God saw you getting tired, When a cure was not to be. So he closed his arms around you and whispered, "Come to Me". You did not deserve what you went through And so he gave you.... rest. God's garden must be beautiful, He only takes the best. And when i saw you sleeping, So peaceful... free from pain, i could not wish you back, To suffer that again.###imported-begin##your son ben###imported-end##
