It will be 3 months in 2 days since you passed. I am still in disbelief. I can't wrap my mind around the fact that you are gone. I hope you know how much I love and miss you. You are on my mind daily. Till we meet again my dear sister. I am happy though that you are free from the pain you were in. XOXO

“ Our family's heart is broken for the sudden loss of Beth. We don't know our Lord's plans for each of us. As believers in Christ, we know Beth is in a wonderful, peaceful place, with joy abounding. That does not diminish the loss we feel here on earth. We pray for Rick and Beth's family to heal and receive comfort. The video tribute is a wonderful, authentic reflection of the beauty and love Rick and Beth shared. She was a lovely, talented, compassionate, and amazing woman and wife. We know Beth is with the angels, surrounded in love for eternity. The Shearer Family

“ What a shock. Hard to believe, but I know her love of travel had us going in many directions back in the day. From cruises, to Toronto, to places near & far. Was more like a sister. Love you forever and will hold you in my heart till we meet again. Fly pain free now.
