“ *Your Angel Baby*

*In a baby castle, just beyond your eye,
Your baby plays with angel toys that money cannot buy.
Who are you to wish him back into this world of strife,
No, play on your baby, he'll have eternal life.
At night when all is silent and sleep forsakes your eyes,
You'll hear his tiny footsteps come running to your side
His little hands caress you so tenderly and sweet,
You'll breathe a prayer and close your eyes and embrace him in
your sleep.
Now you have a treasure that you rate above all others
You have known true glory,
You are still his father and mother*

*You are in our thoughts and prayers.

*A rose once grew where all could see,
sheltered beside a garden wall,
And as the days passed swiftly by,
it spread its branches, straight and tall...*

*One day, a beam of light shone through
a crevice that had opened wide
The rose bent gently toward its warmth
then passed beyond to the other side*

*Now, you who deeply feel its loss,
be comforted - the rose blooms there-
its beauty even greater now, nurtured by
God's own loving care.##imported-begin##Sande##imported-end##*

“ *Little Angels*

*When God calls little children
to dwell with Him above.*

*We mortals sometimes question
the wisdom of His love.*

*for no heartache compares with
the death of one small child,
who does so much to make our world
seem wonderful and mild.*

*Perhaps God tires of calling
the aged to His fold.*

*So He picks a rosebud
before it can grow old.*

*God knows how much we need them
and so He takes but few,
to make the land of Heaven
more beautiful to view.*

*Believing this is difficult
still somehow we must try.*

*The saddest word mankind know
will always be "Goodbye".*

*So when a child departs
we who are left behind,
must realize God loves children,
Angels are hard to find.*

Cody - I miss you so much. Not a day will go by without me thinking of you. I LOVE you with all my heart and that will never change. We had a lot of fun together. Times that will I always cherish and hold dear to me. I miss our "chase" game, you always managed to catch me. I miss your smile, heart, giving lovin' and the many hugs. I miss you getting into the kitchen cupboards and taking out all the tupperware. I miss you opening up the "junk food" drawer and you having to open up each snack and have just a little bit of it all. I miss the way you would pat your leg to call Rusty in/out. I miss the way you would open the cupboard and reach into Rusty's treats and grab, not one but many treats for Rusty. I miss the way you would look for Rusty first thing when you came home, then look for Grandma and Grandpa. I miss the way you would help me, moving the CDs from room to room or having to get that broom from the kitchen and sweep. I miss your smile and laughter so much! All I had to do was crumble up paper, toss it and you would laugh. You would laugh when we would just run around the house, dancing and acting silly. When you laughed, I laughed - which was all the time. I miss watching and listening to all your songs that you would watch over and over. I miss holding you before bedtime and singing (not to well, but you didn't care) your lullaby. When you were just a few month old our lullaby was "Angel's Lullaby". I would play/sing that over and over. Then as you grew older you realized that the lullaby meant bedtime. So we had a new song "You Are My Sunshine". There will never be another Cody. There will never be a time when you are not on my mind. You were truly loved by all that knew you. I will never understand why your time with us was so short. They say that God has his reasons. I struggle each day to wonder just what they are. I believe that you are happy and with Great Grandpa Bill. I

can see you pointing your finger, grunting a noise and getting your way from all you come in contact with. You truly were a gift from above sent to bring love and happiness to all, eventhough for just a short time. I LOVE YOU CODY!!! You will always be my Cody and I will always be your Grandma! LOVE YOU ALWAYS AND FOREVER!###imported-begin##Grandma Amy Akunkel@buckeye-express.com##imported-end##
