David is my Maternal Cousin. He & I did everything together. Dave was "pro-Confederacy", while I was a Born-'n Bred "Yankee!". I miss the thought of Fremont, OH, Springfield, VA, & Washington D.C. where Dave's Father (Clayton) worked as a a Procurement Officer for the U.S. Government.

“ Our love and prayers to Becky, Samuel and Alan during this heartbreaking time. May you find the peace that passes all understanding, through Jesus Christ our Lord and Savior. We will greatly miss our brother Dave and his gentle, thoughtful ways. I will miss the way Dave always analyzed everything, he was such a deep thinker. Dave was a tremendous inspiration to me when we first began attending Morocco Church. I remember a couple of times when Dave taught Sunday school in Pastor Todd's absence. Dave made the class very interesting. Especially the Sunday that he brought along with him, a weird little creature (sorry I can't remember the name of Dave's special guest) but he was a large stuffed creature that I will never forget. Dave used this stuffed creature in the teaching of the Sunday school lesson. Dave said he faced a challenge every morning when he looked at that stuffed creature standing in the corner of their living room. Dave's Sunday school lesson is a good lesson for all of us, for we all face challenges in our daily lives as we travel on a journey through this life towards eternity. The great thing about this journey is that we don't have to make the journey alone. We can choose to have Jesus Christ walk right along with us, holding our hand and guiding each step we take. Dave has stepped from this life into eternity and into the arms of his Savior Jesus Christ. I have no doubt Dave, we will meet again.

Dave and I met as fellow members of Proclaim-FM Board some years ago and become good friends and fellow brothers in Christ. Dave was an essential part of the Board as secretary and his other expertise's. This has been a shock and my prayers go with the family. You will be missed Dave. Joe Conklin .
