Tribute Wall

“ To the entire Fall Family, I always felt that Dave was an older brother to me. He was there for me in good times (and we had some!) and in bad times. Both my parents, Bob & Marge West loved Dave and I am confident they will be reunited again. My joy comes from being a part of Dave's life, he left this world too soon, but a part of him will always be with you and gladly me. I have never met a man, a father or a husband that stood up with the same care and compassion of Dave Fall. My thoughts are with you all. “ Dave became my friend when I was working at Amigos and remained a very special and dear friend for many years after. I will remember with fondness his kindness, generosity, sense of humor, honesty, integrity, great laugh, his sense of family and community, his sweet corn and above all else, his amazing love for Aaron. I have been truly blessed for having had the opportunity to know such a wonderful man. He will be greatly missed and always remembered with so much love.

My heart, my prayers and my unconditional support are with you Aaron now and always

My deepest sympathy. Dave was an old friend from years back from Roger's High School, corn roast parties and the good old corvette days. He was a good guy and will be truly missed by everyone.
