“ Dave and my family had a special relationship with him for many years. He was a unique person. Always simple and ready for a good time. He helped me through many rough times and was always concerned someone was trying to hurt me. I looked at David as a big brother. He was always helping others and as bad as some had hurt him he always was willing to forgive. Dave was a true representative of what we should all follow. He loved his boys and those grand babies of his. He left a little bit of his spirit in all of us who he touched. Let's carry that with us in his memory. God bless you David. Love you and will miss you!

“ David Hill was the my step father for many years of my teenage life while married to my mother sandy. David was always the most kindest gentlest man I knew. I regret Not keeping in contact with him while living in Florida. I will always remember his laugh and funny sense of humor. My heart goes out to all his family and friends.

“ *I remember David as a big brother figure to me. He had the most jovial deep laugh, that you yourself could not help but to start smiling and or laughing yourself. David played a pivotal role in my very early sobriety as we cohabited on the East Side of Toledo. David was always willing to help with whatever he could. David's heart was as big as could be. You will be missed by many people. I bid you a heartfelt goodbye and I am sure you will make many laugh and smile in Heaven. Your friend, Jon James Kuron Sr.*
