“David could be very intensely challenging at times I know he lived with me for 9 months but at the same time he was very generous and compassionate. Whatever he was into he was in it 100%. The thing about David was in order to better deal with him you had to better deal with yourself He just had that way. He wasn't always easy but nether is life but also like life he could be a whole lot of fun. He could be so personal with strangers like he knew them for years. Things I would never do seem to be natural for him. I suspect that David may continue to be challenging for some of us in his absence. I believe that is absolutely OK. It may have been Davids calling to call us all to be more compassionate. I am so sorry for your loss which I am beginning to realize is my loss also.

“Uncle Al, Mike, Kathy and family, I am deeply sorry for your loss. My thoughts and prayers are with you and the family. I have many good memories of David and I am glad I was able to spend time with him and get to know him better. I pray he is in heaven now with Aunt Rita and others who have passed on to join God's kingdom. God bless.
