“ My Grandfather was a great man. He raised me as if I was his own son. I will forever be indebted to him for all of the kind things he has done for me over the years. He will be missed and life will certainly never be the same without him. He certainly is in a better place now and will continue to bless us all from above. May he finally rest in peace.

“ With deepest sympathy, Gene was a very caring person. I had the privilege of working with him for several years at NSS during my apprenticeship in the Tool & Die trade. He was a wonderful teacher, he will be greatly missed.

Sincerely,

“ I live across the street from Gene. I wanted to let you know that I will miss my chats with Gene. He would come out when I was doing yard work and talk to me about the neighborhood. I immediately noticed something was amiss when his newspaper was still on his porch when I was retrieving my own; when his dining room curtains were open and the light was shining (in my four years across the street I never saw that). I was hoping he was having the hip surgery he spoke of. A genuinely good man and I am sincerely sorry for your loss.##imported-begin##Pam Gaffney##imported-end##
