“ We were designed to live forever! Floyd's love of art and nature demonstrates the desire for paradise on earth. Soon, all wickedness will be gone and the meek will possess the earth (Psalms 37:10,11,29). Under God's heavenly government, His Kingdom, millions will be resurrected to an earth free from war and sorrow. "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out... (John 5:28,29)" At that time the enemy, death (1 corinthians 15:26) "will be no more, neither will mourning nor outcry nor pain be anymore (Revelation 21:3,4)." “ To My Dear Uncle Floyd, You were the dad I never had, a wonderful loving dear man. As an adult I enjoyed the meals we shared together, the books & authors we both loved, the great time we had in Pompano Beach & all the grapefruits you picked & made juice, and most of all the Lovely Beautiful pictures you painted just for me that I will treasure always. As a child all the times YOU were there for us in the bad times, I Love You Uncle Floyd and will sincerely miss you. “ Dear Margaret David & Donald,
My sincere heartfelt sympathy at this difficult time.
I was thiinking of you Margaret this morning as I was showing a visitor the article from the May 17th Blade. " That is my neighbor from Douglas Road. I have happy memories as a young girl of sitting in their driveway sunning and visiting while we watched the the 2 young boys play in their wading pool." I had also many other memories and did so appreciate your call a while back Margaret. I am sorry I didn't read the papers from yesterday and today until just now. I do want you all to know you are in my thoughts and prayers

“ Dear Margaret, David, Shirley, Don, Donna & families,
It was such a blessing to know Floyd all these years. I loved Margaret & Floyd teaching me to make chili, Floyd would brown the meat in the basement, and Margaret would put the rest of it together in the kitchen. It wouldn't be chili until we got it all together. They were such a team! My Mom & Floyd taught me to love flowers and gardening. He was artistic way back then even before he started his beautiful paintings. He had great hugs.
I will always treasure our friendships.
My thoughts and prayers are with you all.
