“ Dear Carole and family,

My heart pains with the grief that you are enduring today.

Frank was one of the most endearing, fun loving, and one of the most honest person I have ever known.

Carole you and Frank were a couple that I shall always remember. You shared a love passion for each other that was uniquely strong and versatile. I remember Frank one night at the Elk's Club looking on to you and saying to me "i love her so much" "i just love the way she smells". that comment always stuck with me ..how wonderful to be loved so much!

It doesn't seem that long ago when I sat with you Carole in the operating room while Frank underwent open heart surgery...oh we said our prayers when the Dr said that he was about to take Frank off the support machine. I knew he would be fine because he wanted to continue on his love affair with you and your children.

May you find joy in the many years you shared together and please know that Frank is hanging out on the edge of a cloud watching out for you and waiting to hear your laugh Carole...He loved all of you and rest assured his vibrancy and love lives today!

All my love,

“ Mrs. Nemeth,

I was so sorry to hear about Mr. Nemeth passing. Please express my sympathy to your entire family. Also, my mom asked me to convey how horrible she feels about not being able to make the services. She is rarely sick, but is down with shingles. She told me today that you were an important part of her life for such a long time and she would never dream of not being there for you. I know she will contact you, but I just wanted you to know. You all are in my prayers right now.

“ I was saddened to hear of Franks passing, please know that you have been in our prayers. I would only get to see Frank once or twice a year since 2001, usually for our sales and ops meetings, and always enjoyed being around him. Frank was very approachable and kind, made me feel like a long time friend. I was very lucky to share a golf cart with him once and will never forget the great fun I had that day. Frank will be greatly missed.##imported-begin##Brian Trombly##imported-end##
