“ To Mrs. G's family,
I am sorry to hear of Mrs' G's passing. My brother, sisters and I were regular customers of Gallagher's Carry Out when we were younger. We were sad when the store closed. She was always fun to visit. I remember going in the store to get Penny Candy practically every day.

*I was a caregiver to Hazel at WolfCreek for the last six months I would make it a point to go in her room everyday I was there and say hi. Hazel was so pleasant and could make a bad day good just by spending ten minutes with her. My deepest sympathy Hazel will be missed by everyone at WolfCreek especially me.

I want to express my condolences to the Gallagher family. When I was younger and growing up in south Toledo I was a regular customer at the Gallagher's Carry Out. Mrs. Gallagher and the rest of the family was always pleasant and we had many conversations over the years. I enjoyed the time that I spent in the store just haggling out and talking with her and all the family members that was in the store. I will always remember her as a role model as she always was very pleasant to me. So I want the Gallagher family to know that my thoughts and prayers are with you all. I moved away in 1981 and when I have visited Toledo, I would drive by the store and wondered what ever happened to the Mrs G and her family. May GOD Bless you all in your time of need.
