“ A great blessing in our lives, Father Holup went out of his way to help us individually and as an engaged couple and to preside at our wedding Mass many happy decades ago. It was with him in mind that we named one of our sons James. May Father's dear soul rest in eternal peace in our Lord Jesus. Mike and Teresa Mahoney

“ Describing just a couple memories can't even compare to the life time of memories that my family will hold in our hearts forever. From spending time at Fr. Jim's parish, singing "Immaculate Mary" at the end of his masses, hearing his hysterical jokes, and having him give us family blessings, as well as always keeping him in our prayers.

His love for everyone always was shown through his everyday life and his love for his pets were charitable. From his dog Duster, to his cats Skeeter, Noel, and Midnight, he also took in an injured sparrow and that bird stayed with him for many years. He truly had a heart of St. Francis.

Fr. Jim, you leaving our family wasn't fully unexpected but that doesn't make your absence any easier. You will be loved and missed everyday by so many family and friends that have been blessed and honored to have known you. We will always be praying for you but please, pray for us.

We can't wait to sit around the table and join you for another cup of coffee while looking through family photos in Heaven.

God Bless you always and we love you.

“ I have many wonderful memories of Father Jim. I met him when he came to St Joseph in Downers Grove, IL in 1959. I was 6 years old and the 5th boy in a family that eventually ended up with 13 children. He became like a son to my parents and a big brother to us children. He was at our house often during his time at St Joe's and even after he was assigned to other parishes. I mostly remember him stopping for Sunday dinners of roast beef and mashed potatoes. I've never seen anyone that could eat as many mashed potatoes as Father Jim!

When I was 15, he took my brother and I and a few other boys on a road trip to Colorado. He was dropping off a seminarian out there and made it a mini vacation. For a boy from a big family that didn't take extended vacations, it was the highlight of my life. I fell in love with Colorado.

My wife Deb and I were at his Jubilee Mass and his 90th birthday party. We last saw him when we were in Toledo for a wedding in 2024.

I could go on and on with many other stories, but most importantly he was very impactful in my spiritual life, even during my college years when I didn't show much interest in religion. He's always been there and along with my parents, I credit him with the strong faith I have today. He was a great man and a very holy priest. Our loss is heaven's gain! I will miss him dearly.

“*"The priesthood is the love of the heart of Jesus; when you see a priest, think of our Lord, Jesus Christ" - St John Vianney, patron saint of parish priests.*

Where to begin?; my great uncle, Fr. Jim, was the most humble priest I've ever met, and yet a strong, tall, unwavering pillar amongst all the others. His devotion to the True Presence of the Eucharist, which deeply affected my own spiritual growth and formation, was authentic and incredibly inspiring. Some of my fondest childhood memories are of visiting him in Illinois and being awestruck by his relic collection, wandering around his beautiful old rectory filled to the brim with Catholic art and icons, assisting him during Mass by ringing the bell, and playing with his sweet cat, Skeeter.

Fr Jim was ALWAYS praying and sacrificing for everyone he ever encountered, and I can say that his intense devotion, faith, and prayers directly impacted me throughout my life - particularly in times of sincere need - with the most recent being the adoption of our first child, Janos, whom we adopted from Hungary this fall, following 10 years of marriage and which he had officiated. Fr Jim was so concerned for us, and even in his rapidly failing health, offered weekly Masses for the peaceful transition of our adoptive family and safe travels home; I am forever grateful for those Masses.

The day before his passing, he was delighted to be told that Janos was to be baptized the following day, along with his baby cousin Olivia, and gave the most beautiful blessing to each of them; even in his weakest and final hours, he was a shepherd, and found immense joy and peace in the knowledge that sacramental grace was about to be imparted on his great, great niece and nephew.

Fr. Jim's legacy is one of intense, yet humble love and faith; a pure devotion to the Eucharist and the Holy Sacrifice of the Mass, and a deep love for the Mother of God. He died as he lived- near the Eucharist, surrounded by family, and with faith in our Lord's Divine

Mercy and humble hope for eternal life.

May we all strive to live as he did; Fr Jim, pray for us (as always)!

“ We were blessed to have Father Holup as our Paster at St. Margaret Mary Parish in Herscher, IL. He helped guide us and our large family, baptised 4 of our children, converted many back to Jesus. He was a friend and mentor, and we went to some of his masses in Ashkum, to see him when he got transferred. He literally brought my Brother back to Jesus and he became a strong promoter of the Divine Mercy Chaplet. He was a very holy Priest, and we will be forever grateful to this loving Shepherd! “*Father James A. Holup was a true father to anyone who sought him. You could see that he prayed endlessly for every person who came into contact with him. He was more than a priest — he was a healer, a guide, and a spiritual father figure. Over his 92 years, he walked with countless souls, burying those he knew and watched many of his spiritual sons and daughters grow, aiding them through every season of life, and in many cases even accompanying them into death.*

He led countless pilgrimages to Medjugorje, offered years of monthly “Medjugorje Nights,” and devoted his life to Eucharistic Adoration, novenas, parish missions, and retreats — all with great humility and a deep love for the people entrusted to his care. His priesthood was a rare reflection of what it was meant to be: a life of service, guidance, and compassion. Those who were blessed to know him felt his care in every prayer, every visit, and every moment he dedicated to helping others grow closer to God.

Father Holup’s legacy is one of unwavering devotion, spiritual mentorship, and profound love for his community. He exemplified the very essence of priesthood, touching lives in ways words can scarcely capture. He will be remembered not only for the ministries he led but for the countless hearts he nurtured along the way.

“I remember the beautiful trip to Medjugorje made in May of 1996. We took 17 pilgrims along with medical supplies. We asked Fr Holup to be our Spiritual Director for the trip. He prayed over us all and much healing was received. We were guests of Dragica and Marinko from Bijakovici, Medjugorje. on the way home back to Chicago we traveled with Fr. Slavko. Father Holup invited Fr. Slavko to come to his parish and speak about Medjugorje. We gave him a ride in our Van to Askum. IL. I have a picture of these two Holy men as we all knew they were both saintly priests. Like Little Flower, "May you continue to do good on earth through your prayers", God bless you Fr. Holup and rest in peace. Cheryl and Len Conley.
