“Bob and Joanne were the Prayer Group leaders when we moved to Winter Haven. They invited us to our first Charismatic Retreat; we joined the Prayer Group, became part of the new leader team when Bob and Joanne moved to the Villages and have remained involved. They were God's instruments in leading so many people to discovering God's Will. Bob with his gentle, peaceful spirituality. Joanne with her outgoing, joyful spirituality. I picture Bob sitting quietly with a beautiful grin on his face while Joanne is dancing and singing songs of praise--or sitting at the piano doing the same!! What a wonderful couple. What a joyous reunion in Heaven!!! God has blessed us with Bob and Joanne Ling. Thank you, Joanne, for being you.

“Joanne and Bob were so instrumental in my faith journey. They were core members of the prayer group at St Joseph's in Winter Haven at the time. I can honestly say that they are in the top five of the most influential people in my life. They brought me along when I was just a "baby" (I was a 27 year old "baby" LOL) coming back to the faith. They nurtured me with so much wisdom, patience, joy, and most importantly, genuine love. I will never forget either of them. I hold you and your family in my prayers. She is certainly enjoying her reward in heaven with Bob!
