“ *I really did like Jack, and Alice too, You were all very lucky to have had him in your life. I was always pleased to see his name in the appointment book. He always had a smile, even if he was ill. I hope that all the great memories that you will be sharing will ease your loss and make you smile. You were blessed with great parents who taught you well...Now all you have to do is pass that knowledge along to your own kids...I miss your family and hope you are all well...Joy Roman.....(Dr. John Croci's nurse)*
