“ Joe was a kind and gentle presence at the Thomas M. Wernert Center and I will miss working with him. He enjoyed helping in the garden, going on outings and was often willing to try something new. It was an honor knowing him. Know that prayers for comfort are with you, and remember that his love will always be with you because love never dies. Donna

“ Joe was such a sweet, mild mannered fellow who didn't have a mean bone in his body. We'd stop and talk at TMWC and then all of the sudden, he'd say, "Well, I gotta go now." Eigensee family, I am thinking of you and all the love and care you gave to Joe and am so thankful that he had you. He talked about family events and was always excited to attend Heart and Soul with you. We were already missing Joe, but I know he is not suffering and is at peace. Bless you Eigensee family and take comfort in knowing how much he loved you all. Katie at Thomas M. Wernert Center

“ Joe was a dear friend to me and to everyone he knew. Joe loved going on outings with his friends from the Thomas M. Wernert Center. I knew Joe from the former Aim High program which moved over to the Thomas M. Wernert Center and really enjoyed the program. I knew Joe for many years and Joe never a bad word towards anyone. Joe you will be deeply missed by me and all those that knew you. Fly High My Friend and I'll see when I get there.
