“ So glad I met you and became great friends. Was always nice when we walked our four legged kids together. I was blessed to have had you in my life. I will treasure our time together and miss the many phone calls. Was so hoping you would make to Alabama to see my new place. I will picture you with me when I am sitting outside enjoying the many birds & other critters, reading a book. Peace to your family & friends and may they know you are safe with your son & loved ones.

“ Judy was employed by Frederickson, Heintschel & King Co. LPA for 17 years. She was punctual, competent, friendly and a delight to be around. I was most impressed by her optimistic life attitude, positive nature, kindness and concern for others. Her love of nature, animals and family were subjects that I often discussed with her. I will miss her very much as will her other friends at the office. God Bless Judy and may God take good care of her.
