“ I met you twice in our life. Once in Germany and at your oldest Brother's wedding. We were cousins but a lot of miles apart. Rest in peace 🙏.

“ I'm so sorry for your loss KC and Chelsea, and family. Thinking of you all during this time.
I have known Siss my entire life. I remember as a young girl living across the street from Siss and her family, Siss would come swing on our porch swing and let me drink fruit punch out of a baby bottle when she would feed my younger siblings. To this day, bottles and fruit punch remind me of my early years with her. Siss would ride bikes with me, take me to the playground up the street and was always such fun to be around. Oma and Siss were both in the hospital at the same time. Oma wanted to go see Siss, so I pushed her in a wheelchair to Siss's room, Oma and I got in so much trouble that day, but she got to see her daughter and I would probably do it again if she asked me to. Siss will be missed sadly missed by many.

Jamie, Bob, Rose, KC & Chelsea (and the rest of the Williams crew),

Thought of her as another big sis from the neighborhood, I don't think I knew her real name until I was in my teens. So sorry to hear of Siss's passing. She's at peace and free now.
