“ Buck Brothers, Karla, and the rest of the Buck family and friends. I am saddened to hear of the loss of Mark. I have some great memories with Mark, when we were young, dumb and full of fun. I remember a great guy.

My career cause me to move around the country over the decades, and you fall out of touch with people. It seems to always be times like this, I wish I would have made more effort to stay in touch.

May you rest in peace brother. 🤘😎

“ *Rest easy Mark your in the hands of the Lord now. My fondest memories of him are when I was just a little girl , I met him at Poppa Joe's, and I thought he had to be the best looking man ever. I must have been about 5 or 6 yrs old and I was convinced he was a movie star,or something , that crush lasted a lifetime because to me he will always be the MOST handsome guy ever, the kindest voice. I love you Sparky see you when I see you*

“ Mark AKA Sparky was a great man talked a lot joked a lot and we all know he liked his BlackBerry Brandy. In all reality this man loved his family would do anything for his family wether they knew that or not and would give his shirt off his back to anybody if they needed it. I did not know Sparky a long time like a lot of you but the time that I did become and know him I wouldn't trade him he was one of a kind. Rest in heaven Sparky may we meet again someday❤️❤️🙏

“ Mark was a life long friend. I grew up with him and his family and many of his cousins in the same neighborhood. I worked with him at Buck Asphalt and played basketball with him at Darby. Drank many beers with him and shared a lot of laughs and good stories with him. We were all his "Good Buddies". He will be missed but will live on in our memories and stories of him..
