

Matthew Allen Bennett

February 11, 1947 - December 1, 2013

Matthew Bennett, beloved husband, father, papa and friend passed from this life on December 1st, at Ebeid Hospice held in the loving arms of his family. He was 66 years old. It was the culmination of a two-year journey of pain, suffering, miracles (and joy) that those who travelled with us will not soon forget.

Born February 11, 1947 to Marie and Martin Bennett, he was pre-deceased by them and his only brother, Martin Jr.

He is survived by his best friend (for 56 years) and wife of 46 years, Linda. He also leaves his dearly loved children, daughter Christina (Terry) Ramsey, son Ben and daughter Katy Bennett; his grandchildren Nicholas, Elizabeth and Isabella Ramsey, Benjamin Bennett, Devon Dempsey and his most delightful great grandson, Max.

A proud graduate of Central Catholic Class of '65, he always held a fondness for his alma mater. He also graduated from the University of Toledo and was a lifelong UT Rocket fan. His passion was the Lady Rockets and he held season tickets for years, rarely missing a game.

Matt drove semi for Foodtown for 33 years, retiring in 2000, and the friends he made throughout those years are among the best he ever had. His "posse", the BDTD group (broken down truck drivers) have been with him every step of the way during his long and difficult illness.

Two years into retirement Matt decided that he needed to do more with his life and was hired by the Toledo Metropark System as a part time worker. He was

assigned to Swan Creek and it was the very best decision he ever made. He formed close friendships with his “mates” at Swan Creek and they too have supported and loved him through his long ordeal. Matt simply loved that park. He was never happier than when there, feeding the birds, mowing the lawns, building park benches.

Matt also formed strong bonds with the Close Park Neighborhood where he and Linda lived and raised their family for 37 years. Without the love and support of this wonderful group of friends, the last two challenging years of Matt’s life would have been much more difficult.

Matt also had cherished childhood friends; a few dear ones who have been by his side for more than 50 years.

Recently a chaplain asked “what did Matt do in life”. I said, he drove a truck to support his family, but his life’s career was learning. He loved to read, had a vast library and was well versed on so many topics, his favorite being philosophy. He loved nothing better than a lively debate regarding ideology... he always won!

Matt’s family owe a debt of gratitude to a host of people, too numerous to mention, but we thank you from the bottom of our hearts for all you did. Mostly we thank you for loving Matt...he was so very loveable.

Friends may visit at the Coyle Funeral Home, 1770 S. Reynolds Rd. on Wednesday, December 11 from 3-8 , with a Memorial Service and “Sharing of Memories” beginning at 7 p.m. Memorial donations in Matt’s memory to the Swancreek Toledo Metropark. “ Life is but a stopping place, a pause in what's to be.
A resting place along the road to sweet eternity.
We all have different journeys, different paths along the way.
We are all meant to learn some things,
but never meant to stay.
Our destination is a place far greater than we know.
For some the journey's quicker, for some the journey's slow.
But when the journey finally ends,
we'll claim a great reward,
and find an everlasting peace
together with the Lord.
Matthew, you will be missed. I feel truly blessed that our paths
crossed along the way.
Linda, you now have to learn a new normal. Consider yourself
hugged my dear friend.
With Love, Georgia

“ To quote Flip Wilson, "What You See (saw). Is What you Got" from
Matt and Linda. He was the genuine article that listened when you
visited with him, and He always with that grin of sincerity and care.
Those who knew him, loved Him.

“ I met Matt my freshman year at CCHS. We spent many late hours on the phone with him trying to teach me German. To this day I only remember the "bad" words. We laughed till we cried about the silliest things. He was a great friend, fun, sweet and kind. My condolences to Linda and all the family. I have been away from Toledo for many years but my memories of Matt are clear and fond.....Susan Lechlak Fandrey

“ I believe God makes us hurt when we loose a loved one so we realize what a great gift from God that person was to us. This way we can thank God for His many great gifts to us. Thank You Lord, for Matt. All honor and glory be Yours, for EVER.

“ My condolences are with you. It always seem too soon when we miss such a wonderful loving person but how comforting it is to have our happy memories and prayers fill our hearts. May, it also be comforting to remember that God will help us through our sorrows. (Psalms 55:22)

“ Linda and Family. So sorry to hear of Matt's passing. I was so happy to see the two of you last year and be able to speak with him. My heart goes out to you. He was a very special man.

“Everyone that worked with Matt at Swan Creek respected and liked him. As a supervisor for the Metroparks I loved his work ethic, intelligence and his ability to work well with others. Matt was always the first person to get up from the morning meeting and go to work. He was the only person in my 30 years with the Metroparks I had to continually say "Matt, slow down and take a break". He never complained or said "I cannot do that job". He always came to work early with a good attitude and had such a "hard working standard" that everyone admired and will remember. Thanks for being such a great employee and person!

“Linda, our hearts goes out to you and the kids. When I think of Matt I smile. That intellect, that wit, that ability to make conversation and talk about anything! When I heard the news I thought about his natural, and wonderful ability, to encourage, lift a mood and brighten any gathering! Matt was genuine and that showed in how he lived his life and valued his family and friends. Well Done Matt! You taught us so much through the years and we will hold those memories close! Rest in Peace my friend!

“ We had some good times at Swan Creek, and at the bar, and the winter breakfasts.. Gonna miss you you buddy... It's all your fault we do the trivia questions from the peach section every day at lunch... And we think about you every time we don't know an answer... Thanks for being a friend...

“ Thanks to all who've shared their memories of my dad here. I believe the true measure of a man are those who will stand up and earnestly count him as a friend. Cherish the memories you made with him and know how he cherished you, how you enriched his time here. I will miss him until the day I join him - but that is not all I will do. I will cherish the time I had with him, and be so grateful for the time he had with you.

“ Happy Trails, 'Bennett'! I will always remember how awesome your home and yard looked - a jewel of the Greater Close Park Neighborhood. How did you ever tame all those leaves from the park!?!?

Thanks for giving me the gift of life-long friendship through you daughter Christina.

Until we meet again!

Uncle Matt will be sorely missed for sure! I wish I had known him better in my adult years, but what I do know of him is that he was a devoted son, and a loving, hard-working husband and father! "Death leaves a heartache no one can heal, love leaves a memory no one can steal."
