

Michael Laskey

August 2, 1967 - October 5, 2023

Michael Xavier Laskey, 56, of Maumee, Ohio passed away October 5th, 2023 due to a car accident. He was born August 2nd, 1967 in Toledo, Ohio to his parents John and Rallene Laskey. Mike was number six of eight children, a beloved son, brother, uncle and friend. Mike was a proud graduate of St. John's Jesuit High School, embodying the motto "A man for others" throughout his life. He attended Ohio State University 1985-1988, and was a member of the Kappa Sigma Fraternity. He transferred to Bowling Green State University and graduated with a BA in Communication and Marketing, where he used his degree and skills in every aspect of his life. Woven into Mike's DNA was an unconditional service to others and dedication to helping them achieve their goals. He was an avid reader, always growing and improving himself. He loved to exercise, bike, ski, roller blade and travel, making new lifelong friends everywhere he went.

For Mike, family and friends were the greatest joys in life. He cherished his bonds with his parents, siblings, and the extended Laskey family, and he had a remarkable ability to be genuine and make everyone feel valued and loved, filling every gathering with infectious laughter. He believed in meaningful relationships, always interested in "who" people were. All of his efforts had the same common goal . . .to bring people together.

Mike was quite the jokester, he was a clown without the makeup. Donning costumes to raise money for various charities, ill friends and even to help someone propose marriage, anything for a laugh. He was definitely

comfortable in his own skin.

He had an unwavering entrepreneurial spirit and had more ideas than Thomas Edison, brimming with new ideas daily. He owned Toledo T's a screen printing company from 1993-2003 and then owned and managed The Business Advantage newspaper from 2003-2007. He used his love for words to not only inform the Toledo community but also unite people-a common thread in all his endeavors. Most recently he became a driver for Amazon, a job that brought him so much joy, through his "crew" members and the customers he got to interact with. He loved "delivering happiness."

From 2000 to 2023, philanthropy and volunteer work played a significant role in Mike's life. He mentored with Big Brothers & Big Sisters and served as a spiritual guide to Toledo's disadvantaged youth. He gave his time to many, many other organizations, he volunteered everywhere he went, never needing to be asked.

Mike leaves behind a legacy of love, laughter, and service. His passing leaves a void in the hearts of all who knew him, but his spirit will continue to inspire us to be better friends, better family members, and better human beings. He will be remembered not only for his humor and wit but for his dedication to bringing people together and his tireless commitment to making the world a better place.

Mike is preceded in death by his mother Rallene Laskey, brothers Greg and Bill Laskey and nephew Jon Foster. He is survived by his father John Laskey, step mother Gretta Laskey; sisters Chris Foster, Laurie Laskey, Gaylene Klotz, Kelly (Matt) Mangas and Kori Clausen; brothers Steve (Jeanette) Laskey, Brett Laskey, and Jason Keefer; his "Little Brother" Shon'Dell Gibson, who brought him so much joy; as well as 17 nieces, nephews, and several cousins that he was very close to.

A visitation Celebration of Life will be held at Coyle Funeral Home, 1770 S. Reynolds Road, Toledo, Ohio 43614 on Sunday October 22nd from 12-4 p.m. followed by a gathering at The Pinnacle. “All of us who crossed paths with Mike through the years will have a smile on our face when we think of him. I knew him as the good and kind man he was from the day I met him as a freshman at St. John's to the last time I saw him in Toledo a few years ago. He touched so many lives with his love for life and sincere interest in being a true "man for others." Mike, the world is a lesser place without you.
Best always,

“ So saddened to learn of Mike’s tragic accident. Mike was by my side when I started Ontrac Systems in the early 90’s. Mike was full of energy and never short of creative marketing ideas as we built a successful company. Smiling, happy, caring and compassionate describe Mike. The world needs more Mike’s. He is with the his Lord now and i will always have fond memories of my times with him. I feel bad that I cannot be present at his memorial but he is already present in my prayers. Godspeed Mike.

“As a colleague of Michael's at Amazon, I really enjoyed our conversations. When the news about his passing was shared with us, I immediately teared up. I already miss his presence at work, as well as the jars of "Sea Moss" he gave me, always refusing my willingness to pay him for his time, the ingredients, jars/lids, etc.

What a great soul he was, truly rare in this day in age. I'm 53 years young and Michael and I would share stories to the past, especially the 80s!!!

May Michael rest in peace in God's Kingdom...

“ I knew Mike through so many different stages of our lives. Grade school, high school, college. He was so supportive when my mother was taken early, and there again when my father passed not so long ago. A great sense of humor and infectious laugh. And an underlying kindness. Rest in peace old friend.

“ Mike was one of my first friends, starting in the first grade at OLPH, through St. Johns, Ohio State and into our adult lives. We grew up less than a half mile apart, too many memories to share growing up with Mike, the Laskey family & messing around the neighborhood. Always a joker and always vulnerable, his way of getting his friends to talk about real issues. I loved that about him. I will miss you, Mike. Rest in Peace.
