“ Dear Family Moore,
I want to express to you my sympathies with the death of your brother and relative Mike.

I have lost a special friend. We were together in many Oblate-meetings. I was present in Brazil when Mike was elected first Brazilian Provincial. He visited me several times in Germany.

I said Mass for him this morning. May he now enjoy the eternal life in heaven.

I prayed for you and your whole family, too.

“ Back in 1970 when I was a teacher at Bishop Duffy, Michael was a counselor and we would ride around Niagara Falls, and he would point out where various students lived, and he would say "You have to know the territory, you have to know the territory. " An he did. he knew where they all lived and what their neighborhood was like. He was an amazing friend and inspiration. John Graden, OSFS
