“ Since I can remember you have always been a light in the my life. Godmother I love you and will miss you so much. I will miss you calling me to see what time the football game is on. I will never forget the time you took took me to the Nutcracker and Spaghetti Warehouse with Grandma and Grandpa Blust. I will never forget going to eat Mexican food and Margaritas. Your love for family was admirable. I'll never forget the night we went to your pinning of Nursing school and witnessing you achieve your dreams. You were a Strong, Inspirational, Loving soul who I will miss terribly. I Aldo remember all of our days spent down at the pool sunbathing with my Mom (Patricia) and floating on our floats. God blessed me with two Mothers, and I am blessed my parents chose you. May you sleep peacefully and join the rest of our family and give each one a kiss and hug for me. Tell Uncle Bob ..just for today.. and last but not least Kiss Patty for me. Until we see each other again, Sleep peacefully and I love you always. GINA
