“ *I will miss "Benancia" very much. I called your mom that because she told me your dad would call her that and she would roll her eyes. I would just tease her. Now they are both together. She was a beautiful caring lady. I feel blessed to have known her. I will say a novena for her and prayers for you the family. I know it will be hard for a while. Que Diosito Los bendiga a todos.*

“ *I will truly miss Nancy, she was a kind and caring person always thinking of others. She welcomed me into her family at age 18 when I met Ana at College, such a blessing. I have so many fond memories of Nancy, shopping, eating out, going to the movies traveling to Mexico for a family event, but mainly just sitting with her and chatting as she was such a social person. My sincere condolences to the entire family, especially to my dearest friend Ana, Diana, Susan, Michael and Eli. I love you all.*

“  Nancy was such a caring, loving spirit. Who I will dearly miss. She and Jose were compadres with my parents. And so when I was little, there were many memorable times at St Peter & Paul's Church. Through the years, I stayed in touch with Nancy, as we would pray  and who always wanted to make sure I was alright. Sending Love  up to you in Heaven  Nancy. God bless  her Family.

“ I knew Nancy for a lot of years. We worked together at Ford Maumee Stamping Plant. I never worked in a factory before, and I was scared. Nancy being the kind person that she was took me under her wing and showed me the ropes. She was easy to talk to and we became friends. My condolences to the family. Sincerely,

“ *When we (my wife Lupita) arrived in Toledo, Nancy and Don Jose opened the doors of their hearts and their home to us, she was always very kind and affectionate, especially with my wife Lupita. We thank God and life for putting in our path people as good and with a great heart as they were, now they will continue their story together next to our Lord in heaven, of that I am sure. Our most sincere condolences to the whole family. Lupita and Carlos Mendez.*
