“ Working with him for many years is how my husband and I both met and became friends with Gary. One of our fondest memories of him will always be our wedding day as we were one of those "Lucky" couples that were blessed and honored to be married by Gary in 2014. He definitely had that infectious Irish personality that grew on you! If you Google Leprechaun Gary is right there! RIP my friend you will be missed and never forgotten.

“ Gary was awesome. Hated not keeping touch with him after high school but like a lot of us did, drifted apart. Doesn't mean you never stop thinking about each other and Gary was talked about by myself or brought up in every memory I bring up. I mean, no one threw a cast party like he could. I'm gonna miss him. A lot. My condolences to you all. I'll be with you in spirit when you celebrate him and his life.
