“ We came to know Bob through Camp Perry. We spent many happy times shooting trap, skeet, and sporting clays. We will miss him. He was a very good friend. Tom and Pam Crawford.

“ I remember when Uncle Bob drove for Roadway and when he would come through Angola and if we were out of school, Tarma and myself would sit or stand on the side walk of the main road and wait for him to come through and we would either talk to him through our walkie talkies or wave to him. That always made our day when we got to see him come through town. I will miss you dearly Uncle Bob. Love you! Monita Kirchen

“Grandma recently reminded me of a time that I sang “Grandpa” by the Judds to grandpa... if I only knew then how special that moment would be now 😭

When the line between right and wrong
Didn't seem so fuzzy
Did lovers really feel in love to stay
And stand beside each other, come what may?
Was a promise really something people kept
Not just something they would say and then forget
Did families really love their heads to gray
Did families really love their heads to gray
Did families really love their heads to gray
Oh, Grandpa, tell me 'bout the good old days
Grandpa, everything is changing fast
We call it progress, but I just don't know
And Grandpa, let's wander back into the past
And paint me the picture of long ago
