“ *Therese, Joe, Rick, Tom and Family,  
I'm so sorry for your loss and sorry that I wasn't able to make it down for the memorial service. I have many fond memories of Bobby. Most from hanging out in the neighborhood around St. Charles when I would visit Grandma. We were so close in age. My clearest memories are of playing simple games like throwing a tennis ball against the wall in the St. Charles parking lot, just spending time and having fun. He was a kind soul.*

“ *We lived on Geneva Avenue and went to St. Charles elementary school but played baseball at Arlington. We also played a lot of street hockey at Arlington School in the 1960s. Bobby would play with us, also. One night, he went with us to a Toledo Blades (Hornets?) hockey game. Bob was sitting in the back of our car with my brothers and another friend. He did NOT want to go over the bridge and started to open the door while my dad was driving!!! We had to hang on to him until my dad was able to pull over and we closed the door. That is my long term memory of Bobby. May he rest in peace.*

“ *Bob's first job was at Empire Petroleum where he was loved by many of our regular customers. Bob was a hard worker and would do anything asked of him. I enjoyed having him as my employee!*

“ *To the Kralovic Family, I worked with Bob for many years at Kroger, and he was one heck of a guy! Never knew Bob to have a bad day at work, and I knew he did- but he never shared it. He was the first to greet me at the door in the mornings with conversation or on a break, and I truly enjoyed all conversations and company with Bob- and the occasional “smoke” breaks we shared. I remember going back to the store to fill in for a day and Bob fell into a sinkhole behind the store- we came out both sopping wet with the Fire Department but Bob still had a smile on his face! Amazing- In my life, I am “nostalgic “ and reflect on some of the most wonderful people I was blessed to work with and know, and Bob is one of them. My prayers to you during your time of bereavement, with what I am sure of Heaven receiving a wonderful person-*

“ *We always enjoyed running into Bobby at Kroger, or family gatherings because we knew he'd greet us with an enthusiastic smile and a good word. His interest in us and his other cousins was genuine and infectious, as he always had questions about what we were up to in our lives. Bobby impressed us as being very other-oriented, and kind. On a recent visit, I was very surprised that he recalled we had moved to the Chicago area some 44 years ago. His interest in people was an inspiration and a lesson. Bobby was a family favorite.*
