“ As Pam's niece, I had the pleasure of getting to know Bob the last few years. Bob always had the greatest, and sometimes silliest stories I have ever heard. Bob knew so much about everything. I remember the last conversation we had, where he was telling me all about Jessie James. He will be missed! Prayers to the family, friends, Pam, and all those that had the great pleasure of knowing Bob. Ride your Harley into the eternal sunset, Robert. Feel the warmth on your face and the wind in your hair. With love, always. Jason, Jeannie, and Madyson.##imported-begin##Bowser family. g emesis23@embarqmail.com##imported-end##
