I was saddened to hear of Robin's passing. I only met her a few times, but she was so full of life. God has answered her prayers as now she is in heaven with many friends singing praises and rejoicing. Pat and family, I am so saddened by the loss of Robin. She was such a loving and caring person. We hadn't talked in years and out of the blue she called me when she found out I was diagnosed with cancer, just to see how I was doing. Friends like that are so few and far between. She was so much fun and positive. It made my day when I spoke to her. I was going to help my mom serve the lunch at the next CRHP retreat and Robin was there to help us organize. The ironic thing is, I wasn't allowed to help my mother serve food at the retreat after all since I am not a CRHP member; so I literally got to sit there and meet Robin and have coffee with her anyway!
