“ Kathy,
I'm so sorry for your loss. I know it must be difficult for you and your boys. You are in our thoughts and prayers. I have fond memories of visiting your house every fourth of July. Tom was so gracious teaching us how to fish, sharing his knowledge of the lake, and of course letting us set off fireworks! I will never forget the famous 4th of July when the "Gettysburg address" had us all hiding behind our chairs! I hope your memories provide comfort. Love, Chris, Kermit, and kids

“ *My husband Dan and I were good friends of Tom and Kathy. Tom and Dan enjoyed watching collegiate wrestling together and going to TU’s homecoming games. Dan and my family spent many 4th of July’s shooting off fireworks over the lake behind their home. My husband passed away about 20 years ago so I know how this next year will be difficult for Kathy. She and I have been best friends since we were 3 years old. All of my love to Kathy and her sons John and Tom Jr.*

Tom was one of my best friends in high school. There were seven of us that called ourselves "the fellas". We did everything together. We played basketball at Larry Schlatters's house after Friday Night Lights - may times until dawn. The neighbors did not always enjoy our enthusiasm or our verbal mayhem. We turned a large addition in the back of our garage into a workout facility (Perspiration Paradise) and our gambling abode. We never took a vote but if we had Tom would have been voted as the best of us. He had an infectious laugh the the most delightful impish grin know to man. We played football for four years next to each other. I love him like the brother I never had. May God continue to Bless Tom, Kathi and the rest of his family. He enriched every life he touched and will missed by many. RIP my friend.
