“My sympathy and prayers for Tom's family. Many years ago, I worked at Campbell Soup when Tom was there. I could always remember his initials (T.J. by calling him Tomato Juice Grabowski.) Tom and Jane were active parishioners at St. Augustine Church in Napoleon and my children went to school with Chris and Mary Jane. We have many memories of those days. After Jane's passing, Tom married Shirley (what a coincidence - she was also a parishioner at St. Augustine Church.) We used to see them at Napoleon Elk's Club and at events sponsored by the church. We always talked and kidded about "the good old days." Tom's smile in his picture is what we remember, and I know Shirley and his family will keep his memory in their hearts. He was a good man. “Many of my memories of Tom are as a child when our families were so close. All the holidays were family events and the cousins were close! Tom was the much older handsome cousin! I always thought of Tom as a my hero! I always loved staying the weekend with his family and going with Aunt Florence to take him to the train station to send him back to college! He was always the most gracious gentleman even as a youngster! After I grew up and married I was blessed to have had the opportunity to visit Tom and Jane in their homes in California and again in Ohio. The age difference wasn't an issue then and we had more in common! I still thought of him as my handsome cousin! I always thought that he was more handsome than Tom Cruise! Sending prayers and love to his family. Patsi Binkowski Borst
