“ May 24, 1985 I married my best friend, David Bennett. Fr. Tom married us and it was so great to be with the two most important men in my life. Fr. Tom Wehinger believed in me so much that he asked me to be St. Joseph's representative for the Toledo Diocese. And, I promised him and myself that I would never let him down. I called on him so many times, told him about our two children. I always sent a birthday card every year (it was easy to remember) because my "nana" had the same birthday. Numerous holiday cards and lots of love to the man I so cared about. I will miss him tremendously. With a broken heart, I wish his family and numerous friends, who loved him so much, my deepest sympathy. Just knowing that he will be in "Heaven" with Jesus is a sure sign that I will be okay. He will always be in my heart and in my prayers. Good-bye for Now Fr. Tom, until we meet again. David and I will always think of you every anniversary we have together Much Love, David and Bridget Bennett

“ To the Family of Fr. Tom, My husband & I are ushers at Our Lady of Lourdes in Genoa, we were privileged to enjoy many conversations with Fr. Tom as he stood in the vestibule awaiting those coming into church. He was a truly wonderful spiritual leader an excellent example of a "good shepherd" of the flock. We will miss him here at our Parish, May the Perpetual Light Shine Upon Him & Give Him Eternal Rest-Amen John & Linda Reitzel

“ There can't be many people who only "liked" Father Tom. He was someone to "really love". He cared so much about the members of his flock, like taking young people out to breakfast because he wanted them to know each other, and possibly date. When he baptized a baby, he carried the baby, high in the air, up and down the center aisle, so everyone could all experience the holiness of this new Christian child. Father Tom didn't worry about his needs, he drove his old car up to the 200 mile mark, and often dug into his own pockets when someone was in need. Father Tom will never be forgotten, and we will pray to him, especially in front of waterfalls. Theresa Valtin, Maumee St. Joseph's

“ *Fathr Tom was one of the kindest, gentlest people I have ever met. To me, he was Jesus here on earth. He was there for the family when my Mother passed away and came to the house to give her a final blessing after she had completed her earthly journey. I will always remember his compassion and grace. He always treated every individual as the most important person in the entire world and as a child of Christ. I will never forget him.*

I'm really going to miss him

“ Fr. Tom was one of the kindest, gentlest, and most compassionate people I've ever had the honor of knowing. I met him for the first time during preschool while attending Our Lady of Lourdes elementary school, and instantly knew he was someone that would leave an imprint on my heart. At the young age of 5 years old, barbies and glitter were all that caught my attention, but the second I met Fr. Tom I knew he was special. I didn't understand why then, but in no time it became perfectly clear. At 25 years of age I can say the glow of Fr. Tom's heart has never faded, and now that he's finally home, Heaven is a more beautiful place.

Four months ago when my father passed away from stage 4 lymphoma cancer/congestive heart failure, I wanted Fr. Tom to give the service at his funeral. Although retired, he offered to come pay his respects and to pray with my family. He recited a beautiful prayer, held my hand, and made me feel safe in a time of devastation. I closed my eyes with comfort in his voice, and knew deep in my heart I wasn't the only one hearing his prayer, my father heard too.

Although my heart aches for the loss of his life, I feel comfort knowing he's no longer in pain. Along with my father, I know he'll be an angel that watches over me, protects me, and gives me strength. I'm so grateful to have known Fr. Tom, and I'll continue to live by the good that shined from his heart.

Forever and ever<3

“ Fr. Tom was like a second Grandfather to me.
If it wasn't for him, I don't think my faith would have been nearly as strong.
He was always up for conversation and knew everything about me. I could trust that man with my life and knew it was in good hands.
The day he retired from Lourdes, I remember how devastated I was thinking that I would never see him again.. but every time I did, he would call me by name and welcome me into open arms.
I am deeply sorry for all of his family that lost him.
He was the kindest, gentlest, and most caring man I know.
I feel honored to have him in my life.

“ *To the Dear Family of Fr. Thomas Wehinger, I help in the sacristy at my life long parish of Our Lady Of Lourdes in Genoa, Ohio. I truly want you to know from my heart, I loved Fr. Tom, he was the most caring, kind, understanding and warm friend beside being our Priest every other week-end. He would arrive a little before me & I was greeted with that infectious warm smile, a big Hello & a gentle hug. Over the time that he came to our Twinned Parishes, I know he was loved by all, his homilies were ones you would not want him to stop - because he was so interesting with a wealth of knowledge. While he was here, I lost my Mother at age 92yrs who I cared for in her later years. He gave me strength when I needed it. So it is with a heavy heart I must say Good-Bye to Fr. Tom, but I know he is forever in my heart. May the Perpetual Light Shine Upon Him- Amen Lovingly MaryAnn Cashen*
