“ *If ever there was a husband, father and grandfather who gave 100% to their family it was my Brother-In-Law Bill. They were all the light of his life and fortunately in his retirement years he was able to spend so much quality time with all of them. His eyes would light up everytime they walked into the room. We will miss you Bill for the rest of our days. Rest in peace and know just how much you were loved.*

Karen and family. So sorry to hear about Bill's unexpected passing. I remember the days when we were kids, going to picnics at shady shores, going to the Lyric movie theater on Saturdays for the Double feature, visiting our family and yours at our houses. It seems so long ago. May you all have wonderful memories as you go through this life without him. I pray for comfort and peace for you and your family in the days ahead. Nancy Dey

Karen & Family, I can't tell you how sorry I am to hear of Bill's passing. From the time we worked together at The Blade, to this very day, he left a lasting impression on me that I will never forget. Being cousins, we talked about the many relatives we had and the many memories (funny stories actually) they left us with. He will always be ONE OF MY FAVORITE PEOPLE. After leaving The Blade for a new career, I would bump into Bill at a restaurant at lunch or sometimes on St Patrick's Day...and the stories would pick right up. He is truly one of a kind and will be missed. Prayers and Comfort Karen & The entire Barrick Family.....Mike McGurk
